PRESS RELEASE

IKFS CONDOLES DEMISE OF PANICKERJI

We, Indo-Kuwait Friendship Society expresses profound sympathy at the death of NSS President Narayana Panickerji and condoles to the bereaved family of the deceased as well as to the NSS chapters of both in Kuwait and back in India. Dr. Ghalib Al-Mashoor, President of IKFS said in a press release that Panickerji was a Gandhian and a dedicated contributor for the welfare of Nair community and played a major role for social reforms among the society and was the supporter of communal harmony in Kerala State who defended the nation from the atrocities planned and dictated by the enemies of the nation.

Dr. Al-Mashoor added that the contributions given by Nair community are well known during India 's freedom struggle when the King Velu Thampi Dalawa and Nair warriors made a rebellion against the British rule while Muslims managed to boycott English language in protest with the British rule which made them backwardness in education and at the same time helped to end and ousting the British army from the Indian soil... The Hindu Princes and Nobles vied with one another extending favours to both Muslims and Christians while the relationship between Hinduism, Islam and Christianity had been one of equality and mutual respect. Therefore, the history of Kerala is replete with instances of religious tolerance and harmony. We lost a great personality at this time, whose visions towards India was great, Dr. Al-Mashoor added.

GHALIB AL MASHOOR, Ph.D

PRESIDENT , IKFS

A.K.S. Abdul Nazar,

General Secretary
