

Dr. Tariq is the founder of Paradigm Pioneers in UAE, a boutique management consulting firm providing business solutions to investors around the world. In a short period of five years, Paradigm Pioneers has established itself as one of the most innovative consulting firms. The company, strategically located in Dubai Media & Technology Free Zone consists of a core team of highly qualified and experienced consultants setting benchmarks in Strategic Management and Business Setup, Financial Consultancy, Project Management, Environment Solutions, Marketing Solutions and Training.

DR. Tariq, the chairman of Paradigm Pioneers Group, a leading business conglomerate based in Dubai, also started the first Indian model school in Kuwait with a unique slogan of "Dare to Dream", breaking new grounds in the field of education. Salmiya Indian Model School (SIMS) met the very specific requirements of a model school set by the Ministry of Private education in Kuwait. SIMS is CBSE syllabus based Institution with more than 1,500 students from LKG to 12th class.

As per Dr. Tariq's wisdom words:-,

- “ If you don't try, you fail, so better try and fail. You will never have any regrets in life.
- “Treat people well when you are going up in life because you will meet them again, either when they are going up or you are coming down”.
- “Success is a journey not a destination”
