IKFS PR NO. 40-2018

## IKFS Condoles the Justice Sachar family

Indo Kuwait Friendship Society, (a non-profit socio cultural association in Kuwait) held a Condolence meeting for the sad demise of Justice Rajindar Sachar, the Chief Patron of IKFS.

Sachar was the Head of Sachar committee and Former Chief Justice of Delhi High Court. Justice Sachar was also a member of United Nations' Sub-Commission on the Promotion and Protection of Human Rights.

Justice Sachar was invited to Kuwait by IKFS and was honored with "IKFS 2013 EXCELLENCE AWARD FOR SOCIAL JUSTICE". He was awarded during IKFS 3<sup>rd</sup> anniversary celebrations held on 1<sup>st</sup> November 2013, who said that he was very much impressed with IKFS' contribution towards restoring National Unity, Patriotism, and the Indian national Integrity despite of caste and religion.

Dr. Ghalib Al Mashoor, President who was on a short visit to Cairo said that he was shocked to hear the demise of Justice Sachar, and IKFS has lot really very respectful Personality and Patron. Also added that he was recalling Sachar's key note address during the IKFS 013 event while telling that "He is denouncing the sedition laws in India stating that is a vestige from the British rule, Sedition means to spread disaffection against Government and this is central to the idea of democracy. He added that out of the 15.0% minorities in India, Muslims account for 13.5%. Buddhists, Jains, Christians, Sikhs made up the rest, However, when it comes to distribution of minority benefits, non-Muslim minorities who make about 1.5% of the minorities receive more than 40% of it. This is the reason that "Sachar Committee" recommended in the report to utilize minority funds at Taluk levels. So that areas where there are more Muslim can be offered more funds".

Advocate SAYID NIZAR, Vice President, A. K.S. Abdul Nazar, General Secretary. Iftakhar Ahamed, Treasurer said that they all are saddened for the loss of Chief Patron of IKFS.

With warm regards
